

Hello!

Summer Term is almost over -
here's a look at what we got up to...

The Year 2 children and families did an incredible job fundraising over £1500 for their end of year **beach trip**. They are looking forward to going to Broadstairs and having a well deserved ice lolly!

Our **Clean Air Day Carnival** with Mums for Lungs was so fun! Did you see the 6ft7 Bubble Man?! Or have a go with a stethoscope? We decorated asthma spacers, listened to the Elm Wood choir, and danced to accordion music.

We continued our wonderful **Whippersnappers** sessions in Nursery and with a small SEND group. We really hope we can get funding to continue these next year.

We also had a lot of fun at **Sports Day** for both EYFS and KS1/ KS1 manning the water stations and handing out fresh oranges and Haribo. Thank you to everyone who helped cut oranges and keep everyone hydrated!

And finally, we had an amazing time at the **Summer Fair**! It was lovely to see the Elm Wood community come together to have fun, listen to music and eat some tasty food. We raised over £4,500 in total which is an incredible result!

Thank you...

The Friends of Elm Wood would like to say a huge thank you to everyone who has volunteered their time this year, from manning stalls at fairs, to organising party bags at discos, we genuinely couldn't have done it without you. ❤️

We'd also like to thank Mrs Samões and Miss Patel in the office for taking in donations and printing out all our posters, and Mr Julien for all his help with logistics.

**Here's to more fun
next year!**
